Important information

Your Right to Cancel the Transaction

You have a right to cancel a policy within 31 days after receipt from FMI of your policy document. Such notification of cancellation must be made in writing. The same applies to certain changes you may make to a policy. FMI is obliged to confirm to you whether you have this right and to explain how to exercise it. Please bear in mind that you may not exercise it if you have already claimed under your policy or if the event, which the policy insures you against, has already happened. If the policy has an investment component, you will carry an investment loss. Please note that cover will cease upon cancellation of your policy.

All notifications should be sent to clientcare@fmi.co.za or to **Postnet Suite 91, Private Bag X01, Umhlanga Rocks, 4320.**

It is very important that you are quite sure that the product or transaction meets your needs and that you feel you have all the information you need before making a decision. It is recommended that you discuss with your intermediary the possible impact of the proposed transaction on your finances, your other policies or your broader insurance portfolio. You should also ask for information about the flexibility of any proposed policy. Where paper forms are required, you must only sign them in ink once they are fully completed. Feel free to make notes regarding verbal information, and to ask for written confirmation or copies of documents. Remember that you may contact either the Long-term Insurance Ombudsman or the FAIS Ombudsman, whose details are set out below, if you have any concerns regarding a product sold to you or advice given to you. No-one can ask you to waive any rights you may have.

Your Right to Lodge a Complaint with the Ombudsman

Where you have lodged a complaint with FMI and such a complaint is not resolved to your satisfaction, you have the right to approach the relevant Ombudsman whose details follow hereunder.
